While we try our hardest to accommodate all food allergies and preferences, please feel free to bring food to replace any meal. All food allergies included in camper info sheets will be explained to our chef prior to the event. A fridge is available in the lodge for our use throughout the weekend. The kitchen is extremely flexible for meal adjustments (ie gluten free bread, no meat or no veggies, etc.) with a 24-hour courtesy notice to the kitchen. While the kitchen is very accommodating, please do not take advantage of this for preference, but for health reasons. Any adjustments must be explained on camper info sheet prior to camp.
