Personal Cropping Supplies:

- It is required you use a craft mat or cutting mat at all times while at camp. If you happen to forget, we will have mats available to purchase.
- The chairs are padded, but you can bring a chair if you wish.
- There will be a small store with cardstock, brads, adhesive, ink, ribbon, trimmer blades. Please pre-order your adhesive through the store. We can even bring it up to camp if you wish. Take advantage of the 10% off stock up sale for our campers (Valid only prior to camp). Use Code ZEPHRY17
- Please organize your supplies before camp so you have everything you will need and get the most out of your cropping weekend.
- Organize with your cropping buds on die cut machines, dies, power strips, and tools so you don't have to pack as much and for more table space for cropping. If you are bringing a die cut machine or a craft light, you are required to bring an extension cord and power strip. It is highly recommended each table has at least (1) 12' long extension cord and at least (1) power strip with at least 6 outlets.

Personal Snacks:

A Keurig will be available throughout the weekend, but you will need to bring any other beverage of choice and K-Cups/creamers/sugar of your choice. Your personal favorite condiments are welcome too during meals. There is a refrigerator for camper use. Please write your name on items in case of duplicate products.

We will have a snack table set up in the crop room, but please feel free to bring your favorite cropping munchies if you would like.
